Director's Update –

Punch List (Old Business)

Community Park Playground Replacement - The initial total cost of the playground renovation of \$656,735.59 will be reduced by approximately \$6,000 due to the fact that Ben Shaffer had included 10 new benches in the design which are not needed. The project is due to be awarded to Ben Shaffer Associates through a National IPA Co-op contract at the 4/24 Township Committee meeting. The target date for demo is mid- August which will take approximately 2 weeks. Installation will take approximately 6 weeks weather permitting. The last phase is the new fence installation. Kiwanis has been asked if they are interested in taking the charge to re-set the bricks at the front entrance.
