EXECUTIVE ORDER NO. 105

WHEREAS, in light of the dangers posed by COVID-19, I issued Executive Order No. 103 (2020) on March 9, 2020, the facts and circumstances of which are adopted by reference herein, which declared both a Public Health Emergency and State of Emergency; and

WHEREAS, to further protect the health, safety, and welfare of New Jersey residents by, among other things, reducing the rate of community spread of COVID-19, I issued Executive Order No. 104 (2020) on March 16, 2020, the facts and circumstances of which are also adopted by reference herein, which established statewide social mitigation strategies for combatting COVID-19 and;

WHEREAS, as of March 18, 2020, according to the Centers for Disease Control and Prevention (“CDC”), there were more than 191,000 confirmed cases of COVID-19 worldwide, with over 7,800 of those cases having resulted in death; and

WHEREAS, as of March 18, 2020, there were more than 7,000 confirmed cases of COVID-19 in the United States, with at least 97 of those cases having resulted in death; and

WHEREAS, as of March 18, 2020, there were 427 positive cases of COVID-19 in New Jersey, spread across numerous counties; and

WHEREAS, State and Federal public health experts, including officials at CDC, believe that infections will continue to spread at exponential rates unless aggressive action is taken to minimize person-to-person contacts and to reduce any unnecessary interactions; and

WHEREAS, the COVID-19 emergency is unfolding alongside numerous contemporaneous local, State and Federal elections; and
WHEREAS, the New Jersey Secretary of State is legally obligated to ensure that all qualified voters within the State are able to fully exercise their constitutionally protected right to vote; and

WHEREAS, allowing certain upcoming elections to proceed during this unprecedented COVID-19 health crisis as they were originally planned will create hardships and health risks for voters, poll workers and candidates alike; and

WHEREAS, election officials require flexibility and sufficient lead time to adapt the State’s voting infrastructure to confront the magnitude of the public health and safety risks of the COVID-19 pandemic; and

WHEREAS, social distancing measures are required for a period of as-yet-undetermined duration, and the COVID-19 outbreak may have significant effects on New Jersey’s voting systems as long as social distancing measures are in place and for some time thereafter; and

WHEREAS, the full participation of voters and candidates is critical to a robust democracy; and

WHEREAS, failing to take proactive actions to mitigate the adverse impacts of the current health crisis on certain upcoming elections carries the risk of disenfranchising countless citizens; and

WHEREAS, pursuant to N.J.S.A. 19:23-14, petitions for candidates for the June 2, 2020 primary election are due by 4:00 p.m. on March 30, 2020; and

WHEREAS, allowing candidates to submit their petitions electronically, in addition to by hand delivery, will help limit unnecessary person-to-person contact; and
WHEREAS, allowing voters to fill out and submit petitions electronically, so that candidates and campaigns need not physically gather petitions by going to individual voters in person, will help limit unnecessary person-to-person contact; and

WHEREAS, temporarily modifying the requirements of N.J.S.A. 19:23-8, 19:23-14, 19:24-4, and 19:25-3 to allow for electronic submission of petitions is needed to keep voters engaged during this unprecedented crisis; and

WHEREAS, States generally have discretion to dictate the time, manner and place of elections in the absence of controlling federal law; and

WHEREAS, requiring voters to report to public polling locations to vote under the current circumstances will hinder public participation in the democratic process, particularly among elderly and immune-compromised voters, and undermine the legislative intent of provisions like N.J.S.A. 19:8-2 and 19:8-3.1, which are designed to ensure that such voters can exercise their right to vote; and

WHEREAS, voting by mail is already an authorized mode of voting in New Jersey pursuant to Title 19, subtitles 62 and 63; and

WHEREAS, at least 34 states and the District of Columbia already allow voters to cast their ballot via mail and five states run entirely vote-by-mail elections; and
WHEREAS, in-person voting has declined over the years, while the total number of voters who voted early, absentee or by mail has steadily increased; and

WHEREAS, New Jersey citizens are presently faced with the choice of exercising their constitutional franchise, or endangering their health and safety; and

WHEREAS, a temporary delay in certain elections that are rapidly approaching will give the county and municipal election officials enough time to send vote-by-mail ballots to all registered voters for these elections, allowing voters to exercise their constitutional franchise without jeopardizing their health and safety; and

WHEREAS, in order to prepare vote-by-mail ballots for all registered voters in the upcoming elections, state, county and municipal election officials need sufficient preparation time; and

WHEREAS, the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. 26:13-1 et seq., N.J.S.A. App. A: 9-33 et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4 and all amendments and supplements thereto, confer upon the Governor of the State of New Jersey certain emergency powers;

NOW, THEREFORE, I, PHILIP D. MURPHY, Governor of the State of New Jersey, in order to protect the health, safety and welfare of the people of the State of New Jersey and in accordance with the authority vested in me by the New Jersey Constitution and statutes of the State of New Jersey, hereby ORDER and DIRECT the following:

9. All elections that take place on May 12, 2020, including those previously scheduled for that date and those rescheduled as a result of this Order, shall be conducted solely via vote-by-mail ballots, which will automatically be sent to all registered voters without the need for an application to receive a vote-by-mail ballot.
