

Montville Township Monthly

March
2022

An Update from Town Hall

From the Desk of the Township Administrator:

June Hercek Township Administrator

Welcome to the first edition of the “Montville Township Monthly” publication which is designed to be informative and full of community-based information. The goal of this publication is to create content that is relevant and beneficial, and we plan to publish it on a regular basis and use it to keep you in touch with news and developments within the Township. On behalf of all the employees of Montville Township, we are committed to serving our community in an efficient, accountable and transparent manner. Should you ever need to speak with me personally, please feel free to contact me by email at jhercek@montvillenj.org or by telephone at (973) 331-3302.

Montville Township Municipal Building

Recreation Department

Lori Dent, Recreation Director

The Montville Recreation Department is committed to enhancing the quality of life of our residents by providing year-round activities and enriching recreational programs for our community. We offer a variety of programs from pre-school age to adults! We are also very proud to offer inclusive programs through our partnership with Pathways. Upcoming special events include our Earth Day Clean Up on 4/23, the annual Egg Hunt on 4/10, and the Fishing Derby on 5/7. Our Summer Camp will run 7/5 – 8/5 and registration will open shortly. The Summer Concert Series will run July through September.

To see everything we have to offer visit us at <https://www.montvillenj.org/184/Parks-Recreation> and like us on Facebook at <https://www.facebook.com/Montvillerec/>.

Building Department

Pat Calabrese, Construction Official

The Building Department is experiencing an enormous influx of permits due to the new projects in town. But never fear! We are always up for a challenge. The hiring of additional staff has enabled us to better meet the needs and demands of the public, which is always our main goal. We are very close to the full utilization and implementation of the Township’s Spatial Data Logic (SDL) Portal. This system allows the public to track permit status and obtain information and updates on properties/projects. We strongly encourage all our residents to visit sdl.town/Montville and sign up to create an account.

Montville Township Public Library

Catherine LaBelle, Library Director

Big things are happening at your library! We are excited to resume in person programs for youth in March! New seating is coming soon; look out for new armchairs and a counter space with additional charging ports. Last but not least, we've revamped our nonfiction collection. Books are now shelved under bookstore-style categories such as "Parenting" and "Technology" to make finding the books you want faster and easier. Stop by and check us out! Library cards are available to those who live, work, or attend school in Montville. Visit montvillelibrary.org for more information.
